A Note from the Director

Welcome to the **2009 Fly Fishing Show**. This is our ninth year in Denver and we are the only 100% fly fishing event this winter, so come and get the cure for cabin fever. You'll have fun and learn so much about our great sport. This year's theme is the "Fly Fishing Family." We think fly fishing is a great family sport and something where we need to get our children involved. They are the future leaders for our sport to grow, our rivers to stay pure, and our environment to remain healthy.

It's difficult to see everything in one day, so check out all we have happening and plan your stay. There are special classes from the best teachers and fly fishing experts that require a pre-show registration to reserve a limited spot. But all the dozens of daily lectures, casting demos, book signings, tying instructions, and talks are part of your ticket price. You'll be overwhelmed with the new knowledge you'll take away when you leave the show and we have **free parking**.

Every year we expand and add new features. One fun area growing will be the "FFF Family Learning Center", where beginners and less experienced fly fishers can learn the proper techniques of our sport. Get instruction in casting, fly selection, tying, and much more, from friendly professional instructors. Members of the Federation of Fly Fishers will be there for you and your children all three days, but Sunday is a special admission where the entire family pays one reduced ticket price.

Returning again and expanding is our "Rocky Mountain Bamboo Revival" area, several aisles of custom rod makers and a huge display of the history of bamboo fly rods.

I wish we had free gas to fill your tank when you leave the show. But consider this. If you bring a friend to share the fuel costs, a \$4 gallon of gas becomes \$2, and if you each bring a friend, it's only a dollar a gallon. Sounds like a plan to me! I'll be around the entire show and don't hesitate to share your thoughts with me. We work hard to provide the best fly fishing event every year and without your support it wouldn't happen. So thanks for coming, tell a friend, and have a fun time.

2nd Annual Wright & McGill Fly Casting Championships

The competition is open to anyone and there is no cost to participate! Test your accuracy skills against the best casters in the Rocky Mountain region at targets between 20' and 60'. Grand Prize is a \$1,000 prize package featuring the best Wright & McGill products. Sign up for the Friday and Saturday qualifying sessions in the Wright & McGill booth at the show. Finals will be held Sunday afternoon.
